ENTRANCE HALL | LIVING ROOM | KITCHEN/BREAKFAST ROOM | 3 BEDROOMS | BATHROOM | GARAGE WITH STORE | GATED DRIVEWAY | ENCLOSED REAR GARDEN

The Mission Hall is an excellent conversion of a Victorian meeting hall which was constructed in 1888 and renovated in 2013. The superb vaulted meeting room remains, and has been extended with an impressive glazed hallway link and bedroom wing. The new wing is built of cement weatherboard clad elevations under a slate roof and the original hall has a 'tin tabernacle' design under a corrugated tin roof. The Gothic style windows are double glazed.

The front door opens to the entrance hall which leads through to the impressive living room, both with oak flooring. This opens to the kitchen/breakfast room which has a range of base mounted units with integrated appliances, red granite composite worktop, and an electric AGA. A door opens to the utility room.

At the other end of the hall are two bedrooms both with vaulted ceilings, the master bedroom has a bank of built-in cupboards. The bathroom is fitted with a roll top bath, high-level WC, walk-in shower and hand basin. A staircase rises from the hall to the third bedroom which has partially restricted head height.

**An outstanding conversion of a former Victorian meeting hall
conveniently situated close to Debenham.**
