THE PROPERTY:

20 Old Homes Road is a substantial four bedroom red brick detached house, under a pantile roof. The property is a well presented family home, standing a short walk from the beach in what is arguably one of Suffolk's most sought after holiday villages.

The accommodation which is arranged over two floors benefits from gas fired heating to radiators. On entering the property you find yourself in the entrance hall with doors to a cloakroom, sitting room, dining room, kitchen, lobby, airing cupboard and stairs to first floor.

The main feature is a generous double aspect sitting room with fireplace, gas fire and a conservatory which opens onto the garden. The separate dining room overlooks the rear garden and has a hatch to the kitchen.

The kitchen comprises high and low level units, space for gas oven and hob with extractor over, washing machine, dishwasher, ceramic sink with mixer tap over, space for a dresser and window overlooking the garden. The lobby is perfect for extra storage, coats and boots with door to the garden.

On the first floor landing you will find two double bedrooms, a twin room and a single bedroom along with a family shower room comprising shower cubicle, close coupled WC and pedestal wash hand basin.

Outside

To the front of the property is parking for two cars and access to a garage. The garage has electric, space for a dryer (included) and electric doors. A pedestrian gate at the front of the house leads round to the side and rear, where there is an attractive landscaped south-facing garden mainly laid to lawn with mature herbaceous borders.

Services

Location

Thorpeness is arguably one of the most sought-after locations on the Suffolk Heritage coast. The original fisherman's village was transformed about 100 years ago when Glencairn Ogilvie decided to develop the village as a holiday retreat for well-to-do Edwardians. Inspired by J M Barrier's Peter Pan, the design by Forbes Glennie includes the ever-popular country club with tennis courts and the Meare, a shallow boating lake. Thorpeness, known probably throughout the world for its "House in the Clouds", also has its own golf course, tea room, restaurant, village store and a public house.
